

Public Notice

February 6, 2026

Attention: All Employers & Businesses Operating in American Samoa

OWCC's regular compliance site visitations for all employers and businesses operating in American Samoa is now in effect for CY26.

This full enforcement is an integral part of OWCC's newly implemented annual compliance cycle (February to July), which OWCC has been granted full authorization by the Commission to cite violations and penalties.

Please have both your valid notice of insurance coverage and the compliance certificate (or exemption of coverage) as filed by the Commission on hand when requested. Both documents should also be placed and posted at your place of business as required by law.

Citation and statutory penalties will be fully enforced for non-compliance.

**DON'T CARE. TOO COCKY. PLAN ON HIDING?
JUST COMPLY. YOU WILL GET CAUGHT.**
